|     | F      | 805Q-12 Concord | 1  | (1) 4-1/4” x WOF strips.  
Subcut (5) 4-1/4” squares;  
Cut twice diagonally to create (20) QST.  
(1) 3-1/2” x WOF strip. Use the template for the center of the V Block to cut (18) V Block centers, rotating the template after each cut.  
(6) 1-1/2” x WOF strips.  
**BINDING:**  
(5) 2-1/4” WOF strips. Piece strips together to make continuous binding strip. |
|     | Backing | 2-1/2 |     | Batting 42-1/4” x 42-1/4” piece. |

## BLOCK A

1. Use the 4-1/4” QST from Fabrics B and D to create half of a square. Sew together the short side of Fabrics B and D, making sure that when finished Fabric B is on the left and Fabric D is on the right. The long sides of the QST will make the corner of your block. Make (60) units. (16) units will be used for Block A. Save the remaining units for Block B and Sides Blocks.

![Diagram of Block A](image)

1a. Sew (60) 3-7/8” Fabric A HST to these units to create (60) squares. Again, (16) squares will be used in Block A. Save the remaining units for Block B and Side Blocks.

![Diagram of Block A](image)

2. Use the 4-1/4” QST cut from Fabrics E and F to create the center of Block A. Sew together the short side of the triangle from Fabrics E and F making sure to keep Fabric E on the left and Fabric F on the right. The long sides of the QST should face outward. Make (8) HST units. Sew together (8) of the HST units, making sure to alternate colors to create (4) squares.

![Diagram of Block A](image)

-WOF = Width of Fabric     HST = Half Square Triangles     QST = Quarter Square Triangles-
3. Create your V Blocks using the template cut units from Fabrics A, E and F. Make (18) V Blocks with Fabric E as the center, and (18) V Blocks with Fabric F as your center. Fabric A will be the outside of both blocks.

3a. Only (8) of each color V Block are used in Block A. The remainder are used in the Side and Corner Blocks.

4. Sew together Block A using diagram for placement. Create (4) Block A’s. Finished block should measure 9”.

BLOCK B

1. Sew together (1) 1-1/2” strip from Fabrics E and F to create (1) long strip set. Repeat to make (6) strip sets total. Press seams towards Fabric F; Subcut strip sets to create (144) 1-1/2” 2-Patch rectangles. Sew together (2) 2-Patch rectangles to create a 4-Patch square, making sure to alternate colors.

2. Snowball the 4-Patch square by sewing the 2-3/8” HST to all four sides of the 4-Patch square. Be sure to use the longest side when sewing the Fabric A triangle.
3. Use (36) of the units created in Block A instructions for the corners of Block B.

4. Sew together Block B using diagram for placement. Use (1) 3-1/2” C square for block center. Create (9) Block B’s. Finished block should measure 9”.

SIDE AND CORNER BLOCKS

1. Use the remaining 4-1/4” square triangles from Fabrics A, B and D to create half of a square.

1a. Sew together the short side of Fabrics A and D, making sure that the long sides create a corner. Fabric A should be on the right and Fabric D on the left. Make (12) HST units.

1b. Sew together the short side of Fabrics A and B, making sure that the long sides create a corner. Fabric A should be on the left and Fabric B on the right. Make (12) HST units.

1c. Sew together the short side of Fabrics E and F, making sure that the long sides create a corner. Fabric E should be on the left and Fabric F on the right. Make (8) HST units.
1d. Use units shown in the diagram below from Block A and the three HST units you just made to complete the Side Blocks. Make (8) Side Blocks.

2. Sew (2) 4-1/4” Fabric E QST and (2) 4-1/4” F QST onto the bottom of the remaining (4) V Blocks. Be sure to coordinate colors.

3. Use remaining units shown in the diagram made in instructions for Block A and Side Blocks to complete the Corner Blocks. Make (4) Corner Blocks. (2 with Fabric E as main color, and 2 with Fabric F as main color).

ASSEMBLING THE QUILT TOP

1. Use the Quilt Diagram on Page 6 for block placement. The quilt is assembled diagonally. Sew together in diagonal rows, pinning as you go for accuracy.
Carnival

QUILT DIAGRAM
FINISHING INSTRUCTIONS:

1. With the backing fabric laying taut, place batting and then quilt top to form quilt sandwich. Baste the layers together.

2. Quilt as desired.

3. Add F binding to finish quilt.
